

# WELCOME TO THE OLD STREET WINE LIST

Wine is such a huge part of the world's culture and touches on so many areas of life from history, literature, agriculture, and more. I think it's fair to say you could devote your life to wine and still learn something new every day.

Ultimately, though, it is about pleasure.

The simple enjoyment of a glass of wine. The common link for all of our wines is that they offer deliciousness and value for money, although the latter may certainly be subjective! Sláinte!
