

# WELCOME TO THE OLD STREET WINE LIST

Wine is such a huge part of the world's culture and touches on so many areas of life from history, literature, agriculture, and more. I think it's fair to say you could devote your life to wine and still learn something new every day.

Ultimately, though, it is about pleasure.

The simple enjoyment of a glass of wine. The common link for all of our wines is that they offer deliciousness and value for money, although the latter may certainly be subjective! Sláinte!

# Single Bottle List

Our single bottle list consists of rare and unique wines that are highly prized and difficult to source. As such, these wines are limited to one bottle per table to allow us to share these special wines with as many of our guests as possible. Due to the limited nature of these wines they do not feature on our Wine Wednesday offer.
